Sir,

Sub: Government Notification under Section 4 of the M.F. Act in respect of Ariyadka Block II in Ariyadka village, Puttur Taluk - Issue of addendum -requested.

The reasons to include the additional survey numbers in the schedule of the notifications are reported hereunder.

The Survey numbers now proposed to be included in the schedule of the draft section 4 notification are actually included in the already Surveyed and Demarcated Block but it was not mentioned in the schedule of draft section 4 notification published earlier. This omission is now brought to the notice by the Forest Settlement Officer, South Kanara, Mangalore after field verification. Hence to avoid future legal complications it is necessary to notify these left out survey numbers in the Mysore Gazette in the form of addendum.

In view of this I request you that the Government may kindly be appraised to issue the addendum at an early date.
